

St. Margaret's Hospital Guild is delighted to offer your group a special rate for participating in our 58th annual Decorators' Show House and Gardens. Public tours will begin Saturday, April 27th and will run through Mother's Day, May 12th. As has been the tradition, each spring local interior designers, landscape designers, and their support teams donate hundreds of hours, as do the members of St. Margaret's Hospital Guild, to refurbish an area home and its surrounding property.

All ticket and tour proceeds benefit Eskenazi Health. We encourage you, your friends, and your families to attend this unique event where local designers transform blank walls and empty rooms into extraordinary canvases of art and décor and landscapers create lush gardens and outdoor living spaces. Your tour will begin with our printed program highlighting each of the rooms with a before and after picture, a detailed room description, paint colors, and designer information. We are excited to announce an audio tour will be available for the first time this year!

At the conclusion of your tour, we encourage you to visit Maggie's Café for lunch and our not-to-be missed famous homemade Maggie's Bars. Finish out your day with a stroll through our Maggie's Flower Shop various boutiques where you can purchase fresh spring florals and gifts.

This 100% volunteer initiative has raised over \$12 million for Eskenazi Health and is the longest running decorator show house in the nation. Over the years, the proceeds from the Decorators' Show House and Gardens have funded countless programs and projects for Eskenazi Health; proceeds from this year's house will support our three-year commitment to the nursing program.

For more information please see the attached 2019 Group Ticket Order Form.

We look forward to seeing you at the 2019 Centennial Estate.
